

How the Grinch Stole Christmas

by Dr. Seuss

4th grade and up

This lesson is a piece of cake and the students LOVE it! It is a GREAT lesson for listening skills and I learned this when I was going to Central. You do have to have at least 30 minutes for it since the video is that long.

Materials:

- * video of "How the Grinch Stole Christmas"
- * paper of questions for students
- * Pencils

Instruction:

I hand out paper and pencils and quickly go over the questions with the students.

Explain that the questions will be answered in order and they need to be paying close attention to the video. They simply fill out the questionnaire as they watch the video and then quickly go over answers when it is over. Merry Christmas!

The Grinch Who Stole Christmas

1. How many people carried the Christmas tree into town?
